DETAILED ACTION

1. Applicant's amendment filed on February 21, 2006 has been entered. Claims 1-37 are pending.

Allowable Subject Matter

2. Claims 1-37 are allowed.

3. The following is an examiner's statement of reasons for allowance: The prior art does not disclose the signal processing unit for performing an enciphering process to the data outputted from said second data storing unit based on second identification data read out from said identification database corresponding to said first identification data transmitted from said first transmitting/receiving unit; and the control unit for performing a reading control of said second identification data from said identification database storing unit based on said distribution request data and said first identification data which were transmitted and performing a reading control of the data from said second data storing unit based on said distribution request data, wherein the data enciphered on the basis of said second identification data is transmittable by way of said second transmitting/receiving unit to said first transmitting/receiving unit of the respective user machine and is decodable by said first signal processing unit, wherein said first signal identification storing unit and said first signal processing unit are formed in said single integrated circuit, and wherein the second identification data is not transmitted between the respective user machine and the contents server or between the contents server and the respective user machine as set forth in claims 1, 14, and 27.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thanhnga (Tanya) Truong whose telephone number is 571-272-3858.

Art Unit: 2135

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kim Vu can be reached on 571-272-3859. The central fax number for the organization where this application or proceeding is assigned is 571-273-8300.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 571-272-2100.
